

# OUR MISSION

## ABOUT US

We are a residential children's home and community center, working in conjunction with Tanzanian Social Welfare Services to provide a safe haven for children in crisis. At our center, we empower futures through healing & hope. We operate in partnership with the Amani Foundation, a 501c3 in the USA.

01

We bring children into an atmosphere of safety, where they can heal, grow, and thrive. Through individualized care, we ensure every child can succeed.

02

We reunify families, and invest in successful communities. We believe all children belong, and succeed best when supported through relationships.
